

Duchenne Muscular Dystrophy Industry Symposium

11th July 2025
Prague, Czech Republic

Welcome to the TREAT-NMD Duchenne Muscular Dystrophy Industry Symposium

With the current advances in the field of neuromuscular care and treatments, it is important for industry professionals to be kept abreast of these advances. TREAT-NMD is therefore delighted to be hosting a face-to-face expert one day Masterclass in DMD aimed at industry professionals.

Symposium Objectives

- Provide a high quality educational and interactive opportunity for industry professionals involved in Duchenne muscular dystrophy (DMD) information and discussion on the latest in topics such as outcome measures, genetics, therapies for DMD and internationally recognised standards of care (SoC).
- Provide a platform for participants to share ideas, challenges, and successes
