

Spinal Muscular Atrophy Expert Masterclass

8th-10th July 2025
Prague, Czech Republic

Welcome to the TREAT-NMD Spinal Muscular Atrophy Expert Masterclass

With the current advances in the field of neuromuscular care and treatments, it is important for industry professionals to be kept abreast of these advances. TREAT-NMD is therefore delighted to be hosting a face-to-face expert one day masterclass in SMA

Masterclass Objectives

- Provide a high quality educational and interactive opportunity for health care providers diagnosing or managing the care of patients with Spinal Muscular Atrophy (SMA) and through information and discussion on the latest in diagnostic pathways, natural history, and internationally recognised standards of care (SoC).
- Provide a platform for participants to share ideas, challenges, and successes in delivering optimal care for patients with SMA
