

TREAT-NMD Expert Becker Muscular Dystrophy Masterclass

7th and 8th December 2023, Barcelona

Becker Muscular Dystrophy Masterclass Objectives

- Provide a high quality educational and interactive opportunity for health care providers diagnosing or managing the care of patients with Becker Muscular Dystrophy (BMD) and through information and discussion on the latest in diagnostic pathways, natural history, and standards of care.
- Provide a platform for participants to hear the most up-to-date information from experts about current and emerging therapies.
- Provide a platform for participants to hear directly from patients and patient representatives about the challenges of living with BMD.
- Provide a platform for participants to share ideas, challenges, and successes in delivering optimal care for patients with BMD.
